Thanks Mai for the reply and attachments, very helpful.

I'm not yet aware of the specific issues the air program is looking at now, so it's hard for me to know if there's overlap between the two. I'll getting up to speed shortly, and if we/I need to circle back with y'all I'll let you know!

Thanks again!  
Sara

**Subject:** RE: Past work on Coyote Station source determination

Hi Gail and Sara,

## Ex. 5 Deliberative Process (DP)

The District Court of North Dakota issued a decision and I have attached the summary of it here in case Sara hasn't seen it yet.

Please let me know if you have any other questions or if I can help further.

Thanks,  
Mai

**Subject:** Past work on Coyote Station source determination

Hi Sara – This is about the ND request for EPA's position on common control for Coyote Station and the Coyote Creek Mine.

**Ex. 6 Personal Privacy (PP)**

**Ex. 5 Deliberative Process (DP)**

# Ex. 5 Deliberative Process (DP)

I wasn't sure when to pull you in. I thought we might wait until things progress a bit with OAQPS first to help focus your efforts.

Thanks!  
Gail
